

The quality of a town's library is in direct correlation to the importance the citizens put on it, not only creating a sense of community, but access to books and programs that enrich people's lives.

Friends of the Library is a national organization dedicated to the advancement and support of public libraries. We, the Friends of the Corbit-Calloway Memorial Library, are a newly resurrected organization dedicated to enhancing and preserving the services of the library so that Corbit-Calloway Memorial Library will be an enduring and vital force in the community for years to come.

We are always looking for new members and ideas, so please consider joining us at one of our monthly meetings which are held the fourth Thursday of every month at 7:00 PM in the library
