The Carol Pearl Inspirational Grant

Carol Pearl was a lifelong educator who loved children, especially those who often went unnoticed, unrecognized or simply seemed to slip through the cracks in our educational system. Our goal is to identify and reward a student whose average academics does not begin to reflect his/her true potential, someone whose inspired determination, resilience, perseverance and willingness simply to keep going can be substituted for academic deficits. Few people who have achieved great success have done so solely because they earned good grades; they know the critical importance of the very qualities this Grant will recognize.

The Women's Club of Odessa (WCO), a member of the Delaware State Federation of Women's Clubs, is offering students residing in the Appoquinimink School District (ASD) an opportunity to apply for one \$3,000 grant for post-secondary education or career training. Funding of this grant is made possible jointly by Mr. David Pearl and the WCO. The mission of the WCO is to give back to the community through educational scholarships, supporting local projects, and historic preservation.
